Paris, 7th of December 2015

RENAULT TRUCKS DEFENSE TO EXHIBIT AT GDA KUWAIT 2015

RENAULT TRUCKS Defense will be present at the third edition of the GDA Kuwait show which will take place from December 8th to 10th, 2015 in Mishref, Kuwait.

On this occasion, RENAULT TRUCKS Defense will expose on its stand the SHERPA Light Scout, a 10.9t multi-role armoured vehicle mainly dedicated to reconnaissance, and the VAB Mk. III, an infantry vehicle available in multiple versions, such as reconnaissance, troop transport, Command Post vehicle or ambulance.

The RENAULT TRUCKS Defense Group also includes French brands ACMAT Defense and PANHARD Defense. The complementarity of these three brands enables RENAULT TRUCKS Defense to offer a wide and complete range of tactical and logistical vehicles particularly adapted to Defense, and Internal and Civil Security.

RENAULT TRUCKS Defense also offers a number of support services throughout vehicle's life cycle, ranging from user maintenance to modernization or reconstruction of the vehicle if necessary.

RTD Group has recently equipped the French armed forces, as well as a number of foreign armies, with over 30,000 wheeled vehicles operational around the world in the forces or in peacekeeping operations.

The VAB Mk. III is an infantry armoured vehicle available in several versions.

The Sherpa Light Scout is a multi-role reconnaissance vehicle.

VOLVO GROUP GOVERNMENTAL SALES is in charge of Defense, Security activities and Emergency services within the Volvo Group, with the following brands: RENAULT TRUCKS Defense, ACMAT Defense, PANHARD Defense, VOLVO Defense and MACK Defense. VOLVO GROUP GOVERNMENTAL SALES is determined to become a leading player in the field of wheeled military and security vehicles.

RENAULT TRUCKS Defense, one of three participants in the Joint Venture (GME) which was awarded the Scorpion contract by the Minister of Defense on 5 December 2014, is to participate in the development of the French Army's new generation of front-line vehicles Griffon and Jaguar. RENAULT TRUCKS Defense is in particular responsible for supplying the powertrains for these two vehicles, and for providing the whole supply chain for the spare parts and components of the Scorpion program.
